

Chinese Signature Chops/Stamps

Custom Signature Stone Carving of your Name in *Kanji*
(Chinese/Japanese characters)

The chop/stamp stones come in two sizes about 3/4 or 1-inch square. Each chop comes with special red chop ink and a decorative Chinese style storage box. Just give us your name and we will have it translated into Kanji for free. There are two different styles of stone carving. One with a transparent background and solid color characters style #CB, the other a solid background with transparent characters style #SB; see examples below.
